I, Martha M. Hall, do hereby declare and say:

1. I am the attorney of record for defendant Reymundo Madrigal in United States v. Madrigal, 08-CR-1322-JAH;

2. I was informed by U.S. Pre-Trial Services Officer Ruiz that I need a formal court order authorizing the release of various the urine samples taken from Mr. Madrigal which I wish to re-test for the proceedings on the OSC (*see* Exhibit A);

3. On July 15, 2008, I located San Diego Reference Laboratory, a San Diego company that tests urine and blood. I spoke to Michelle Kimberly in the Legal Services department at San Diego Reference Laboratory, 6122 Nancy ridge Dr., San Diego, CA 92121, regarding the procedures and fees for re-testing a disputed urine sample (see Exhibit B);

1           4.       Ms. Kimberly estimated the cost of the re-test will be \$75, per sample tested, and  
2 the results should be available within 3-4 days of receipt of the sample. I agreed to pay for the  
3 tests now, and will seek reimbursement in due course after the proceedings are terminated;

4           5.       Probation Officer Ruiz provided me with the standard letter regarding the contents  
5 of the order. I agree with all the form requirements except the requirement that the test results  
6 be sent by the drug testing facility directly to Pre-Trial Services. Since this is a defense re-test,  
7 being paid for by the defense and part of Mr. Madrigal's right to prepare for and make decisions  
8 about the hearing on the OSC, his "expert" should not be required to provide the results directly  
9 to the Pre-Trial Officer unless and until he decides to use the tests results at a hearing. Indeed,  
10 defense experts are deemed to be part of the "defense team" and therefore covered by the  
11 attorney/client privilege. To require the defense expert to report directly to an arm of the  
12 government violates that privilege and the defendant's right, under the Due Process Clause and  
13 the Criminal Justice Act, to present a defense, including obtaining expert assistance.

14           I sign this declaration under penalty of perjury.
